## FINAL REPORT

30 JUNE, 2022

FPHS founding director, **Dr. Chandrakant Lahariya** shared a few encouraging words highlighting the importance of blood donation.

Chief guest, **Ms. Aarti Singh**, Counsellor of Ward 68S, Mehrauli.

Special guest, **Dr. Vivek Singh**, Health Specialist, UNICEF India Country Office, emphasized on community involvement in strengthening health system.

The founder of *Organum donum*, **Dr. Abhishek Garg** spoke about the noble cause of blood donation. He has donated blood 21 times till now.

Volunteers from FPHS & Organum donum facilitated the camp & through community canvassing, pooled several donors for the cause.

### Glimpses of the day

The procedure of collecting blood was done by skilled, specially trained technicians from the blood bank. The entire process included filling form, screening, post donation rest including hydration.

The underlying motivation behind donating blood varied among people. Someone viewed this opportunity as a means to pay tribute to the soldiers serving our nation, another one was driven to contribute to this noble cause.

### Experience of the donors

**NAME: SIDRA**

**9th time donating blood**

**WHAT MOTIVATES HER:**

She believes that just a little act of donating blood can save life. It's more we can contribute towards humanity we can even think of.

**NAME: MADAN KALRA**

*Had a misconception that hypertensive patient can't donate so donating after 4-5 yrs.*

**What motivates him:**

*He is doing it for the "Rashtrahith". He sees blood donation as a tribute towards our soldiers who are fighting selflessly for us. He suggests that everyone whose is capable of donating must donate atleast once a year.*
